

WILLIMANTIC

What is Going On Tonight.

Benevolent and Protective Order of Elks, No. 1311, holds meeting. Eastern Star Lodge, No. 14, A. F. & A. M., at Masonic hall.

A meeting of the Willimantic Chamber of Commerce was held on Tuesday evening at their rooms on Main street, when some 250 members of the organization gathered there at 8 o'clock to sit down to a delightful supper served by the ladies of the Swedish church.

Following the supper the meeting was called to order by President J. B. Fullerton who asked that a motion be made that all business other than that of voting in new members be postponed. This was carried. The names of five new applicants for membership were read and they were welcomed to the chamber. President Fullerton spoke of the aim of a drive made by the chamber to increase their enrollment to 500. He stated that the number of members was at present over this amount and was going even higher. A vote of thanks was extended to Samuel Chesbro and Nelson A. Daniels for their leadership in this work. President Fullerton then turned the meeting over to the entertainment committee and Chairman Bath introduced as the speaker of the evening, Peter J. Collins of Boston, who gave a brief talk on "Plain American People." Mr. Collins showed that the letters of "pep" made a great combination of patriotism, production, and encouragement. The three letters in pep stood for the following things—P for Patriotism, E for Enthusiasm and P for Production. He then added the following E to the word pep, these standing for Energy and Enthusiasm. Other words derived from this combination of letters stood for personal efficiency, efficiency, perseverance, production, efficiency, partnership. These various combinations which he called the motor were to be run on two tracks, namely, on the part of the employer, personal efficiency, production, permanent employment, partnership. These in turn resulted in permanent establishment, peace, protective economic progress, and practical efficiency. Back of all this was the following combination of pep, namely:

"SYRUP OF FIGS" CHILD'S LAXATIVE

LOOK AT TONGUE! REMOVE POISSONS FROM STOMACH, LIVER AND BOWEL!

Adopt "California" Syrup of Figs only—look for the name California on the package, then you are sure you are getting the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love the delicious fruit taste. Child's directions for child's use on each bottle. Give it without fear.

Mother: You must say "California."

THE H. C. MURRAY CO.

was to meet Deputy Sheriff John Fitts, of Hampton, and take Harold Crea and Camilla Sherif to the state prison at Westchester. The driving went into the automobile in which Sheriff Fitts was riding. He reached Clark's Corner, where he became necessary for Sheriff Fitts to stop and await the arrival of Sheriff Fitts, who brought the two prisoners to Clark's Corner by sleigh. The trip from this point was finished without any trouble and the automobile with the prisoners arrived at Westchester at 11:35. The driver of the automobile stated Tuesday night upon his arrival in this city that the state road between Willimantic and Hartford was in fair condition except for the amount of water that had gathered on the road since the thaw of Monday. The two men taken to Westchester were sentenced at the January session of the Windham county superior court held in this city January 14th. Harold Crea, aged 24, was charged with assault with intent to kill Emma Handfield, at North Grovesville, Sept. 24, 1919. He was sentenced by Judge John P. Kellogg to the state prison for a term of more than four years in state prison.

Notices of the republican caucus to be held in this city at an early date have been sent out by Town Chairman William S. Condon. At this meeting delegates will be chosen to the republican state convention and the congressional convention to be held in New Haven March 23 and 24. For the election of delegates to the public national convention and the appointment of a state central committee. At the caucus in the city the town committee for the next two years will be chosen.

Funeral services were held Tuesday afternoon at 1 o'clock for Maurice S. Crane, son of Mr. and Mrs. Clarence G. Crane, of Atwoodville. Rev. Walter J. Handfield officiated. Burial was in Atwoodville cemetery. Arrangements were in charge of Funeral Director Jay M. Shepard.

The funeral of Mrs. Emma Handfield was held Tuesday morning at 10 o'clock from her home, No. 15 Monticello street. The requiem high mass at St. Mary's church at 9 o'clock was sung by Rev. Edward Mathieu. As the casket was borne into the church it was preceded by a delegation of ladies of St. Ann's church. Mrs. Handfield was a member. The banner of the society was carried by Mrs. Eugene Cote, Mrs. William Bossa, Mrs. Lewis Vignard, Mrs. Pierre Chasse, Mrs. Z. C. Chennette and Mrs. J. L. Bonin. The singing during the service was by members of the society, assisted by Mrs. Joseph Archambault and Mrs. A. B. Soland. Solos were rendered by Mrs. Delphis Boucher, Mrs. H. Trudeau and Adelaide Reade. The bearers were Joseph and Octave Dubreuil, Thomas and John Handfield. Burial was in the cemetery.

Mrs. Emma J. Goldrey, widow of Horatio Goldrey, died Monday night at her home on Liberty Hill. She was born in Lebanon August 18, 1852. The daughter of Joseph G. and Ruth Peckham. She was married to Horatio Goldrey on June 1, 1878. Mrs. Goldrey was three daughters, Mrs. Helen French of Willimantic and the Misses Grace and Ruth Goldrey of Liberty Hill; two sisters, Mrs. William Fuller of Andover and Mrs. William Harper of Nashville, Tenn.; also four brothers, Frank A. and Milo S. Davoll of Willimantic. She also leaves a grandchild, William French of this city.

Town Clerk and Mrs. Frank P. Fenton arrived in this city Tuesday afternoon on the 3 o'clock train. For the past three weeks Mr. and Mrs. Fenton have been enjoying the pleasures of a trip to Florida.

James Curran, of this city, who was injured last summer in a wreck on the Melrose branch of the New Haven railroad, has returned to his work as section foreman. Daniel O'Brien, who has been filling his place, has been given the work train run from Willimantic west on the Hartford division.

Sheriff Charles A. Gates left Willimantic Tuesday morning at 10 o'clock for the Brooklyn jail where he

COLCHESTER

The local branch of the Zionist society held an open meeting 13 Tip Top hall Sunday evening to see about raising Colchester's quota of the fund for the restoration of Palestine. The quota for this place is \$2,000. The speakers were Whitman of New York and Mr. Takey of Hartford, who presented the cause for which the fund is being raised. A fine program of music was rendered. After the formal program, a fund was sounded for pious for the fund, and in less than an hour \$1,400 was secured. Joseph Agranovich is chairman of the committee to raise the quota and is assisted by Leon Broder, Samuel Stern and H. Buswiltz. The committee is in charge of going over the top. Joseph Agranovich is president of the local society.

How Signs Of Old Age Creep Into Your System When The Iron In Your Blood Runs Low

For Want of Iron You May Be Old At Thirty—Nervous, Irritable and All Run-Down—While at Fifty or Sixty, With Plenty of Iron in Your Blood, You May Be Young in Feeling and Brimming Over With Vim and Energy

IRON IS THE RED BLOOD FOOD

That Helps Strengthen the Nerves, Restores Wasted Tissue and Aids in Giving Renewed Force and Power to the Body. Physicists Explain Why Administration of Simple Nuxated Iron Often Increases the Strength and Endurance of Delicate, Run-down People in Two Weeks' Time.

Old age has already sunk its talons into thousands of men and women who ought still to be enjoying the springtime and summer of life simply because they have allowed worry, overwork, nervous strain, dissipation and occupational poisons to sap the iron from their blood and thereby destroy its power to change food into living tissue, muscle and brain. You will find plenty of people at 40 who are broken in health and steadily going

downward to physical and mental decay while others at 50 are strong, active, alert and seemingly growing younger every year. One class withers and dies like leaves in autumn while the other by keeping up a strong power of resistance against disease may pass the three score and ten mark with surprising health, strength and vigor. But you cannot expect to look and feel young and vigorous unless you have plenty of iron in your blood, and physicians explain below why they prescribe organic iron—Nuxated Iron—to supply the iron deficiency in the weak, nervous, and run-down so as to build them up into stronger, healthier men and women.

Many a man and woman who ought still to be young in feeling and time vim and energy that makes life worth living simply because their blood is starving for want of iron," says Dr. George H. Baker, formerly Physician and Surgeon, Monmouth Hospital of New Jersey, says: "From a careful examination of the formula and my own tests of Nuxated Iron I feel convinced that it is a preparation which any physician can take himself or prescribe for his patients with the utmost confidence of obtaining highly beneficial and satisfactory results."
